NEW BUSINESS

LEGISLATION

Assembly Bill 4207

Seeks to require public school students with concussion to be evaluated by a physician before return to school and the school district to provide accommodations to the student as

OPEN BOARD AGENDA
NEW JERSEY STATE BOARD OF MEDICAL EXAMINERS
December 9, 2015 **PAGE - 2**

needed.

Assembly Bill 4695

Seeks to require health insurance coverage for contraceptives to include prescriptions for twelve months.

Assembly Bill 4702

Seeks to provide that if the minor appears to have been sexually assaulted, health care professionals, in addition to physicians, may authorize forensic sexual assault examinations and urgent medical care, without parental consent.

Assembly Bill 4722

Seeks to establish a Prescription Drug Review Commission and to require production costs be reported for certain prescription drugs.

Assembly Bill 4732

Seeks to establish criminal penalties for physicians who fail to provide certain information prior to performing abortion procedures involving donation of cadaveric fetal tissue.

Assembly Bill 4749

Seeks to prohibit certain steering and marketing practices involving dispensing of prescription drugs and drug samples.

Assembly Bill 4760

Seeks to require health care practitioners to discuss the risk of addiction when prescribing certain drugs to patients who

are minors.

Senate Bill 3236

Seeks to permit pharmacists to prescribe self-administrated hormonal contraceptives under certain circumstances; also, seeks to clarify certain health insurance coverage requirements for contraceptive prescriptions.

Senate Bill 3246

Seeks to exempt intra operative monitoring services rendered during inpatient surgical procedures from physician self referral restrictions.

Senate Bill 3254

Seeks to authorize the pharmacist to provide opioid antidotes to patients without individual prescriptions, in accordance with standardized protocols to be adopted by the Board of Pharmacy.
